

Franchise of SDK ITS Solutions Pvt. Ltd. Gurgaon

Who May Apply for franchise?

New Entrepreneurs / Women Entrepreneurs as an Individual or in partnership capacity with passion for education, strong financial back up, a good network of people and zeal high in life and wanting to stand out in life may tie-up with us as one of our Unit Franchisee of SDK ITS Solutions Pvt. Ltd.

No franchise and royalty fee.

We are looking for Unit Franchise partners who are ready and willing to enter into a mutually beneficial relationship to take the ownership of a franchise and grow with us. Existing Training centers/ Coaching Institutes/ Educational Institutions may collaborate with us to become a part of SDK ITS Solutions Pvt. Ltd.

Today's business requires one to grow many folds and that's where the concept of "FRANCHISE" comes in. A lot of young aspiring entrepreneurs of training institute have plans to expand their institute network beyond a single standalone unit by opening additional units in other locations within the city or even other cities via the franchise Business models. SDK ITS Solutions Pvt. Ltd. is looking for channel partner to expand our training institute services in their respective area. We cater to all the services required, starting from setup of training institute supply of furniture & material, curriculum support, resources, teaching aids, recruitment & training, administrative systems, marketing planning, student kit supply, etc.

We strive to run our franchise based on mutual respect and working closely together with our franchisees. If you have always dreamed of running your own training institute but lack funding and not willing to pay royalty fee, franchise could be the perfect route for you. We offer a comprehensive training institute package for you looking to set up your own training institute, that includes all aspects of setting up and running a training institute solution including a integrated curriculum, marketing help, material, training, tools, trainer's training and a student assessment and evaluation and more to ensure they can run a good
